2009 Can-Am X-Team DS 450™ Racer Support Program

BRP is pleased to announce that the 2009 Can-Am X-Team DS 450 Racer Support Program is extended!

The DS 450 has been recognized by the industry as one of the most innovative sport ATVs in the history of the industry. We chose to test this radical design last season at the highest levels of Pro ATV racing. With the learning of one full season of racing under our belt, two national Pro ATV championships (WORCS and Canadian CMRC), as well as AMA Pro MX and GNCC Pro XC1 wins and podiums, we are now ready to extend our racing efforts to the amateur ranks with a support program as innovative as the quad itself.

The Can-Am X-Team DS 450 Racer Support Program is designed to bring the amateur racer closer than ever to full factory support!

- Your dealer may present co-op claims for promoting his dealership and the Can-Am brand through racing for race graphics, trailer wrap, jerseys, canopy tents, etc... You could benefit from this as well!
